LEON HIGH SCHOOL FOUNDATION TRUSTEE COMMITMENT

In reference to the Bylaws of the Leon High School (LHS) Foundation, Inc., Article IV, Section 2, regarding duties of the Board of Trustees, I acknowledge my commitment to having general charge and control of the affairs, funds, and property of this Foundation. I recognize that acceptance of the position as Trustee requires my sincere effort to perform my duties and responsibilities. I understand that volunteering the necessary time to promote all fund-raising activities to the best of my ability is a priority requirement of this position. I agree to contribute \$250 each year, which includes lunch, and to adhere to the following Attendance Policy.

“Since this is a working Board, Trustees will be required to attend all meetings and miss not more than four (4) meetings. After the 4th missed meeting, the Trustee will be considered an inactive/advisory Trustee for the remainder of that year with no voting privileges. At that time, a new Trustee will be elected by the Board to fill the position. An inactive/advisory Trustee may be considered for active status again when his/her schedule permits and when there is a Board vacancy.”
